You have exceeded the maximum of three log in attempts. Thus your webmail has been blocked for security reasons.

To unblock your service, please proceed to our Resolution Center <HYPERLINK REMOVED> or log on at our secure site at <URL REMOVED>

and confirm your identity by sending us a secure email of your personal details from your [SecureMail Center](#) <HYPERLINK REMOVED>.

NB: Please do not "Reply" to this message because it was sent from an unmonitored mailbox.

If the user clicks on the link to go to the "secure site," the following screen is displayed:

# OWA Outlook® Web App

Note that the website is not an arizona.edu website.

### Security ( show explanation )

- This is a public or shared computer
- This is a private computer
  
- Use the light version of Outlook Web App  
The light version of Outlook Web App includes fewer features. Use it if you're on a slow connection or using a computer with unusually strict browser security settings. We also support the full Outlook Web App experience on some browsers on Windows, Mac, and Linux computers. To check out all the supported browsers and operating systems, [click here](#).
